Hi, Bob!

How are you? I'm here in Italy, in Rimini to be precise, for the National Gymnastic Competition with my team, and even though we are training very hard, we are having a great time! Every day we get up at 6.30 and we have a very big breakfast, with bread, butter and jam, coffee and orange juice. After that we go to the sports centre by bus and we train for an hour because at 10.00 the various competitions start. At 13.30 we have lunch, usually a sandwich because we don't have much time, and after that we have more competitions.

Fortunately, we are free at 5.30 so we can spend a couple of hours at the seaside. The weather is beautiful, it's sunny and very hot but it's windy at the beach. We have dinner at 8.30 when the chef makes us pasta, meat or fish or pizza! After dinner we have a short walk and then we go to bed, very early because we are really tired! What about you? What are you doing at home? How's the weather?

Hugs and kisses

Melanie
